Results of BPS Examinations Announced

(Washington, DC) -- The Board of Pharmaceutical Specialties (BPS), an agency whose purpose is to recognize pharmacy specialties and certify pharmacists' knowledge and skills at the advanced practice level, announces the results of the October 1, 2005 specialty certification and recertification examinations. These examinations were administered to 1197 pharmacists at a record number of 38 sites worldwide, including 26 in the continental U.S., in addition to Anchorage, Beirut, Hong Kong, London, Madrid, Montreal, Republic of Korea, Singapore, two sites in Saudi Arabia, and two military sites in Germany and Japan. Recertifications using a continuing education option will be announced separately.

Nuclear Pharmacy – 29 of 38 candidates were certified for the first time. The three candidates seeking recertification by examination were recertified. Currently there are 495 Board Certified Nuclear Pharmacists (BCNP).

Nutrition Support Pharmacy – 27 of 47 candidates were certified for the first time. 17 of 27 candidates seeking recertification by examination were recertified. Currently there are 348 Board Certified Nutrition Support Pharmacists (BCNSP).

Oncology Pharmacy – 85 of 158 candidates were certified for the first time. The first group of Board Certified Oncology Pharmacists will not be eligible for recertification until 2006. Currently there are 557 Board Certified Oncology Pharmacists (BCOP).

Pharmacotherapy – 559 of 767 candidates were certified for the first time. 41 of 42 candidates seeking recertification by examination were recertified. Currently there are 3191 Board Certified Pharmacotherapy Specialists (BCPS).

Psychiatric Pharmacy – 30 of 43 candidates were certified. 12 of 14 candidates seeking recertification by examination were recertified. Currently there are 463 Board Certified Psychiatric Pharmacists (BCPP).

News Release

Detailed information on the BPS Examination Scoring Process is available on the BPS Web site (www.bpsweb.org) under the "Exam Information" button.

To be certified, candidates must meet the following eligibility requirements.

Nuclear Pharmacy: entry-level pharmacy degree
current, active license as pharmacist
4,000 hours of training/experience in nuclear pharmacy
passing the specialty certification examination

Nutrition Support Pharmacy: entry-level pharmacy degree
current, active license as pharmacist
three years practice experience or equivalent
passing the specialty certification examination

Oncology Pharmacy: entry-level pharmacy degree
current, active license as pharmacist
three years practice experience or equivalent
passing the specialty certification examination

Pharmacotherapy: entry-level pharmacy degree
current, active license as pharmacist
five years practice experience or equivalent with a BS degree, or
three years practice experience or equivalent with a PharmD
passing the specialty certification examination

Psychiatric Pharmacy: entry-level pharmacy degree
current, active license as pharmacist
four years practice experience or equivalent
passing the specialty certification examination

"BPS congratulates all those who achieved a passing score on the 2005 specialty certification and recertification examinations," states BPS Executive Director, Dr. Richard J. Bertin. "These individuals possess a level of training, experience, knowledge and skills that is deemed essential to providing advanced level pharmaceutical care. They have met a rigorous national standard. They and their employers can be justifiably proud of this accomplishment."

**(Pharmacists certified and recertified by examination by BPS in 2005 are listed
at the end of this News Release.)**

The **Board of Pharmaceutical Specialties (BPS)** was founded by the American Pharmacists Association (formerly the American Pharmaceutical Association) in January 1976 to recognize specialties and certify pharmacists in specialized areas of advanced pharmacy practice. Five specialties are currently recognized by BPS: 1) nuclear pharmacy, since 1978; 2) nutrition support pharmacy, since 1988; 3) pharmacotherapy, since 1988; 4) psychiatric pharmacy, since 1992; and 5) oncology pharmacy, since 1996. More than 5,000 pharmacist specialists are currently certified by BPS. For more information about BPS and its certification programs, consult the BPS web site at www.bpsweb.org or call Ryan Abel at 202-429-7591.
